### Catholic Relief Services Offers Assistance to Italy's Earthquake Victims

BALTIMORE, MD, April 8, 2009 - Catholic Relief Services (CRS) mourns the death of hundreds of earthquake victims in L'Aquila, Italy, and stands in solidarity with our sister organization Caritas Italiana as they work to respond to the deadly 6.3 magnitude quake which struck L'Aquila at 3:30am on April 6. As of this morning, 270 people are confirmed dead, over 1,000 injured and over 17,000 have been left homeless.

Caritas Italiana has set up a response center in Pettino, a town near L'Aquila, to coordinate relief efforts and collect and redistribute food, blankets, hygiene items and clothes. In addition, eight tent camps have been erected around the earthquake zone where the displaced are receiving moral and psychological support from both psychologists and Caritas volunteers.

Caritas members from near and far have offered their solidarity and support as rescue efforts continue.

CRS, as part of the Caritas network, has received donations from concerned Catholics throughout the United States which will be used for earthquake victims through our partner Caritas Italiana.

"CRS and Caritas Italiana are members of Caritas International, a group of 162 organizations worldwide which constitute the largest network of Catholic charities in the world devoted to poverty reduction and social justice.

### Keys for Hope

Key for Hope is looking for old unused and obsolete keys to recycle for their scrap value. The money raised would then be directed to local food and homeless shelters on a local scale presently and ultimately globally.

Every key counts and one key can make a difference and may be the key to eradicating hunger, poverty and homelessness.

Please bring your old and unused keys to Church and place them in the plastic bucket at the entrance of the church.

## **IMPORTANT!**

Please be aware of where you park for Mass. There have been complaints from our neighbors that they have been unable to get their cars out from their driveways. This is a terrible unconvince for them. Thank you for your consideration.

When using the recycling bin in the back of the church please do not leave plastic trash bags in the area. Many of the bags are blown into our neighbor's yard!
