FAMILY PERSPECTIVE In today's gospel Jesus told his disciples "I have much more to tell you, but you cannot hear it now." Jesus has the same problem with us as we do with our children. Our advice is not always welcome. Timing was a challenge for Jesus as it is for us as parents.

MARRIAGE MOMENTS Resolving an argument: If compromise or co-existing won't work, try brainstorming new win/win solutions. It may take some time and creativity but consider the alternative - living in disharmony with each other.

PARENTING PARTNERS June is a time of graduations and dandelions; weddings and lightning bugs; vacations and summer jobs. Whether you have babies or teenagers, take a moment today to notice something small but precious about your child. Sit in wonderment for a moment about the mystery of human life.

INTERCESIONS FOR LIFE For all families, that the self-giving love of the Holy Trinity inspire families to greater unity, love and sacrifice for each other; We pray to the Lord

Office of the Bishop

For almost 50 years, the Diocese of Camden has committed itself to the support of Catholic missions in Brazil, South America. While Brazil has long been the world's largest Catholic nation, the percentage of Catholic population there by some estimates has fallen from 89% to 64%, as evangelical Pentecostalism has made inroads over the last three decades.

The Brazilian Missions Collection, which will be taken up in all parishes of our diocese this weekend will help sustain this important mission work in South America.

Thank you for your generosity!

ECUMENICAL PRAYER SERVICE FOR CHRISTIAN UNITY

Please join us in the church today,

HOUSE OF CHARITY

Remember, once we meet our goal, we will get back 10% and 75% of all monies over our goal. Most of all, you will be helping those less fortunate.

Our parish goal for 2009 is \$160,000. To date, we have collected **\$100,435**. If you haven't made a commitment yet, please do your best to help us reach our goal. We have a long way to go, but we are confident you will continue to be generous.

No. 221 of the Catechism of the Catholic Church teaches that "God is an eternal exchange of love, Father, Son and Holy Spirit and He has destined us to share in that exchange."

You can take that love to others through a sacrificial gift to the House of Charity. Contact the parish for a pledge card, or access our website at www.camdendiocese.org and click on the House of Charity link.

Please remember to return your Father's Day remembrance envelopes as soon as possible.

Envelopes with the names of your loved ones will remain on the altar for the month of June to be remembered at all Masses.

STEWARDSHIP IS A WAY OF LIFE

"The spirit itself bears witness with our spirit that we are children of God, and if children, then heirs, heirs of God and joint heirs with Christ." (Romans 8:16,17a)

If we are heirs to the Kingdom of God, should we not work to build up that Kingdom, by being good stewards of our inheritance, using our time, talent, and treasure to care for the treasured heirloom of our church?

"Persons are known not by the intellect alone, nor by principles alone, but only by love. It is when we love the other, the enemy, that we obtain from God the key to an understanding of who he is and who we are. It is only this realization that can open to us the real nature of our duty, and of right action.

To shut out the person and to refuse to consider him as a person, as another self, we resort to the impersonal "law" and "nature." That is to say we block off the reality of the other, we cut the intercommunication of our nature and his nature, and we consider only our own nature with its rights, its claims, its demands. In effect, however, we are considering our nature in the concrete and his nature in the abstract. And we justify the evil we do to our brother because he is no longer a brother (or sister); he is merely an adversary, an accused, an evil being.

To restore communication, to see our oneness of nature with him, and to respect his personal rights, integrity, his worthiness of love, we have to see ourselves as accused along with him, condemned to death along with him, sinking into the abyss with him, and needing, with him, the ineffable gift of grace and mercy to be saved.."
