

**St. Joseph's Church Youth Group**  
**Habitat for Humanity House Project Saturday February 4<sup>th</sup>**

Dear Parents and Guardians,

We are excited that St. Joseph's will have a day to work on the Diocese of Norwich Habitat for Humanity House that is being built in Norwich on Saturday February 4<sup>th</sup>. We will be able to take 12 teens age 16 and older and 4 chaperones from the parish. No special ability is required to participate in this event, just a willingness to help a family in need. To participate in this project your son/daughter will need to do the following:

- **Complete the Early Commitment Form Below:** Spots will be given out on a first come first served basis. So please return this as soon as possible along with a \$25 participation fee to cover the cost of transportation and lunch.
- **Complete The Habitat For Humanity Safety Training:** All Habitat volunteers must complete a one hour orientation and safety training session run by Habitat for Humanity of Southeastern Connecticut. For more information on how to sign up for training go to [www.habitatsect.org/volunteer](http://www.habitatsect.org/volunteer). There will be numerous opportunities between now and February to complete this training but it must be completed to be allowed on the construction site.
- **Complete Safe Environments Training:** All parent chaperones and any teens who will be over the age of 18 at the time of the build must have completed the Safe Environments training course by November 15<sup>th</sup>. This can be schedule with me via email at [StJosephChesterYM@att.net](mailto:StJosephChesterYM@att.net) or 860-575-7006.
- **Complete the Habitat for Humanity Volunteer Waiver Form:** All participants must complete the Habitat for Humanity volunteer waiver form. Please bring this to your safety training session and turn it into Habitat for Humanity. These forms are on the Habitat website.
- **Complete Diocese of Norwich/Parish Liability Waiver Form:** All volunteers must complete the Diocese of Norwich/Parish Liability Form. I will provide these to participants in this project in early January.

We will hold a meeting on Sunday October 30<sup>th</sup> at 6 PM and again on Monday November 7<sup>th</sup> at 7 PM to explain the details. If you have any questions, please let me know.

Yours in Christ,

Jim
