ASSISTANCE FOR VICTIMS OF SEXUAL ABUSE
“We are committed to healing the hurting hearts.”

A relationship of faith and commitment between the Catholic Church and its members, and the public, whether they are children, young people, adults or elderly. Sexual abuse in this context, or any other relationship, is a matter of grave concern.

Knowledge of such abuse requires a special response in order to facilitate the healing process and assure the safety of the community. With this in mind, the Diocese of Pensacola-Tallahassee is committed to healing the hurting hearts of sexual abuse victims. This diocese has established Victim Assistance Coordinators who are experienced and trained counselors. These coordinators are available to help persons who have been sexually abused by a priest, deacon or other such church personnel.
