## A PLACE FOR YOU !

**Welcome!** This community of believers longs to share a story with you. The Bible's story. A true story. God's story that can remake and renew your life. Through this story, God invites you into the action. In the death and resurrection of Jesus, God offers the eternal hope of a future that not even death can overcome.

**Welcome!** We invite you to visit us — people of God who give ourselves freely and joyfully to God, to one another, and to others. This community witnesses to a God who is active in the world. We proclaim God's active love for all people: poor and rich; people of different cultures and races; women, men, children, younger, older, single, married, divorced, widowed, blended families, single-parent households ... all are welcome! You are invited to experience this community that seeks to reflect God's open and loving embrace.

**Welcome!** Worship God in a way that feeds your faith. Whether you like a more formal service with organ, hymns and liturgy — less formal with piano, guitars, drums and praise music — or experiencing the Word of God in a unique outdoor summer experience with lawn chairs, sunscreen and singing; Whatever way feeds your faith, you are invited to join us in worship this Sunday.

**Welcome!** Come meet us. We are not perfect nor pretend to be, yet we have experienced God's forgiveness and wholeness. We invite you to join us in an adventure of truly hopeful living.

## Greetings From CTK's Pastors

On behalf of the people of faith at Christ the King Lutheran Church, please accept our personal invitation to come and share in the Good News that God has for you in Jesus Christ.

Christ the King Lutheran Church is open to everyone who is searching for real meaning in life. In fact, we take very seriously where God says in the Bible: "My house will be called a house of prayer for all people."

Pastor Jon Lindekugel

At Christ the King Lutheran Church, we experience God's Spirit of grace and prayer continually being poured out upon people, like streams of living water.

Pastor Karl Kruse

It has been through prayer that we have come to understand that part of the vision for our congregation is that; "We will enjoy a welcoming environment that engages all people in experiencing God's love."

Our hope is that you will find your way to Christ the King Lutheran Church. Our congregation, of about 2,300+ baptized members, is one with a desire in addressing your spiritual needs. Our main concern is to help people find satisfaction and meaning in life through a deep and abiding relationship with Jesus Christ.

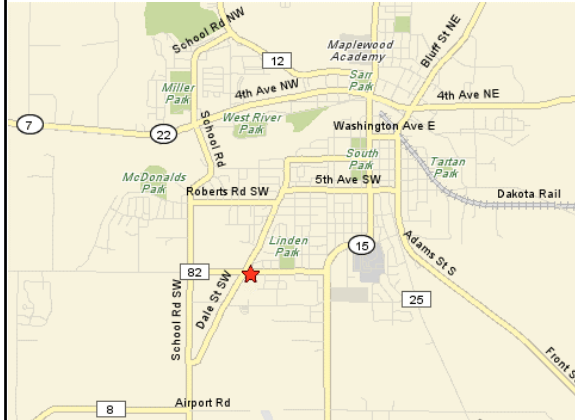

Another way God has called us to serve the community is through our *King's Kids Preschool*. If you would like to find out more about *King's Kids*, simply call the church office.

We look forward to seeing you, and we invite you to worship with us soon.

## The Lutheran Church

Christ the King Lutheran Church identifies with the renewal movement begun in the Lutheran Reformation. We are also a member of Lutheran Congregations in Mission for Christ (LCMC), as well as other Lutheran organizations such as Lutheran CORE and WordAlone.

### The Lutheran Church Teaches That:

The **Bible** is the Word of God — absolute truth. It shows God in action.

**God** is one God in three persons — Father, Son, and Holy Spirit; the Holy Trinity.

**Man and Woman** were created by God in holiness, but sinned (rebelled). We cannot by our own powers or good works come back to God.

The **Savior**, Jesus, died to save the world from sin.

A person is **Justified** (saved), not through what they do, but only by God's grace, through faith.

**Repenting** means sincerely regretting one's sins and asking for Christ's forgiveness and guidance.

The **Church** is all those people who sincerely accept and believe in Jesus as Lord and Savior.

**Baptism**, a sacrament, establishes new life in a person. God remakes him or her and gives them the Holy Spirit.

**The Lord's Supper**, a sacrament, is the body and blood of Jesus, received in faith, in - with - and under the bread and wine of Holy Communion.

The **Creeds** are statements of belief, not additions to the Bible. They summarize the Bible's teachings.

**Religion and Science** are not in conflict. Religion talks about the "who," the creator; science talks about the "how."

**A Christian's Unity** with fellow Christians is rooted in Jesus Christ as God and Savior.
