

Church of St. Pius X Commemorative Garden

To **Honor** the past of our parish, **Celebrate** our present congregation and **Embrace** the future of this St. Pius X community, a Commemorative Garden with engraved brick pavers will be established around the St. Pius X statue on the front lawn of our church grounds. All proceeds will benefit the parish operating fund.

Q&A

Why should I purchase a brick paver? This is an opportunity to create a lifetime remembrance of your family's life in this church community. Each paver is engraved to remember a loved one, celebrate a special occasion such as a sacrament, graduation from St. Pius Holy Family School or honor your family. This is a unique Christmas, birthday, anniversary or graduation gift idea.

What is the cost? \$150 for a 4"x 8" brick paver with 3 lines of text and \$250 for a 8"x 8" brick paver with up to 6 lines of text.

Can I purchase more than one paver? Yes. If a family is ordering several pavers and wishes to have them together, all the pavers should be ordered at the same time.

Where will my paver be placed? The pavers for our past and present pastors will surround the statue of St. Pius. Each surrounding ring of pavers will be determined by the sequence in which each paver order is completed.

Will this be our only opportunity to purchase a paver? No, pavers will be offered several times each year and orders can be placed at anytime through the parish web site. *This garden will continue to grow with our parish.*

When will the pavers be installed? In April of 2010 ground will be broken and pavers installed. A dedication and blessing ceremony is planned.

Can I see what my brick paver will look like before it is installed? A sample of what the paver will look like will be sent via e-mail (or mail if necessary) for your verification and approval prior to the order being finalized. With each completed order, a Certificate of Recognition will be provided.

Brick Paver Samples of 4x8 and 8x8 sizes
