Holy Comforter-Saint Cyprian Extraordinary Ministers of the Eucharist

The Extraordinary Ministers of the Eucharist assist the priests and deacons in serving the needs of the elderly, sick and homebound community by taking Holy Communion to them. Ministers also assist at Mass by distributing both species of Communion when priests and deacons are not available to do so.

Members meet 5 times a year and serve on a rotational basis.

Members that are invited to join this ministry are expected to minister to the homebound in a compassionate and understanding manner and uphold the obligation to respect their confidentiality.
